MONDAY 10TH JUNE

Today the ship will berth in **NAPLES** – This city offers a mix of breathtaking beauty and a strong sense of life being lived to its limits. It is squeezed between Vesuvius, Europe's second-largest active volcano on one side and the sulphurous springs and boiling mud pools of the Flegrean fields on the other. The beautiful island of Capri is a 'must-see' when in Naples so we strongly suggest you join the ship's optional excursion.

TUESDAY 11TH JUNE

Today's last port of call is **MESSINA** where we will be berthing at 8.00 am. Amongst the many optional shore excursions offered by the ship, Taormina is always a favourite. Spectacularly perched on the side of a mountain, Taormina is Sicily's most popular summer destination, a chic resort town beloved of holidaying high-rollers and visiting celebs. At 6.00 pm the ship will start its journey back to Malta.

WEDNESDAY 12TH JUNE

Arrival at Malta where you will disembark from the MSC Bellissima.
