MSC WORLD EUROPA

Welcome to the future class of cruising

MSC World Europa is the first in the trail-blazing MSC World Class - a brand new class of ships that introduces a completely new cruising platform. Boasting future-proof marine and onboard hospitality technologies, MSC World Europa will redefine the cruise experience with a variety of never-before-seen concepts and creative areas unlike anything at sea today. The ground-breaking design features a Y-shaped aft that leads to the impressive 341-foot-long half open, half covered Europa Promenade with breath-taking ocean views. Brand new balcony cabins overlook the spectacular promenade, which features a striking architectural centrepiece in the form of The Venom Drop, an 11-deck-high dry slide which will be the longest at sea.

BARS & LOUNGES FROM MORNING COFFEE TO LATE-NIGHT COCKTAILS

The future of cruising involves going beyond your expectations, to build new sophisticated and immersive venues. MSC World Europa is brimming with new concepts and ways to intoxicate the senses. Chief among these, you will find:

Coffee Emporium. This sleek and modern coffee house is a coffee connoisseur's dream. Lavazza, one of the world's leading coffee roasters will develop a very special MSC signature roast, which can also be taken home!

Raj Polo Tea House takes a step back in time to turn-of-the-century India, where Indian and English tea traditions converge in a relaxing tropical setting.

Masters of the Sea: MSC Cruises' signature British pub on two levels with a new full-scale onboard micro-brewery where MSC signature beers will be brewed directly on board

The Gin Project is a must-stop shop for gin aficionados with over 70 craft gins, with classic cocktails expertly prepared by gin-tenders along with a vintage Crawley's shaker.

Elixir - Mixology Bar is THE "It Bar" for cool and edgy cocktails, with expert mixologists creating handcrafted concoctions, featuring delicious Fever Tree mixers.
