MSC WORLD EUROPA

The Future of Cruising

MSC WORLD EUROPA

MAIN FEATURES

A MORE SUSTAINABLE CRUISE

We wanted to set a new standard for the cruise industry.

As our first LNG-propelled new cruise ship, MSC World Europa is a huge step forward in that mission. This next-generation power hugely reduces emissions and marks a milestone on our journey to zero emissions operations.

Her state-of-the-art design also includes the latest water recycling technology, to purify wastewater, and propellers studied to reduce the underwater noise in respect of marine wildlife.

ACCOMMODATION

MSC World Europa is as different on the inside as she is on the outside. All-new cabin designs are available, and the ship offers more balcony cabins than any other cruise ship in our fleet.

In total, the ship has 19 different cabin categories, with 7 brand new designs. From the luxury of the Grand Suite Aurea with an included terrace, to the scenic Infinite Ocean View, to our Deluxe Balcony with Promenade View, there's accommodation for every taste – for couples, families, and all other guests.

ON-BOARD EXPERIENCE

There's something for everyone on board MSC World Europa, from the largest waterpark in our fleet, to bumping cars, and our new surprise street performances. And with 7 swimming pools spread across the ship, including one with a sliding roof, there's always space to relax by the water and pool deck.

For families with children, the award-winning MSC Kids Club features state-of-the-art facilities inside a dedicated area of the ship, with a range of kids' clubs and tailor-made programs for every age group.

DINING EXPERIENCE

Travel the world with your tastebuds on MSC World Europa. The ship features brand-new concepts including Chef's Garden Kitchen, the first hydroponic garden at sea; La Pescaderia, a Mediterranean fish restaurant; a new on-board microbrewery; and a Gin bar where you can learn mixology.

The ship also features some of our signature favourites, like our American-style steakhouse, Latin American street food inspired Hola! Tacos & Cantina, Kaito Teppanyaki & Sushi bar, and our renowned buffets.

FUTURISTIC CRUISE EXPERIENCE

The future of cruising isn't just about technology: it's about the experience too. MSC World Europa was designed to elevate the delights of a traditional cruise ship to entirely new levels.

From her sleek interior design to her 13 dining venues to her thrilling entertainment offerings, the onboard experience is like no other cruise ship. Relax in the scenic Panorama Lounge, experience the excitement of the futuristic Luna Park Arena, or lose yourself in the iconic Kinetic Dome.
