### Highlights

In VICTORIA, the EUROPA welcomes you to incomparably relaxing, sunny days in the Seychelles: how about a helicopter flight\* over the island of Mahé to kick off your cruise? Sparkling turquoise water, fine sandy beaches and lush green palm trees – LA DIGUE offers a myriad of dream beaches where you are sure to find your personal favourite spot to relax and unwind. On PRASLIN, a walk through the UNESCO World Heritage Site of Vallee de Mai\* will take you to the Seychelles palm tree, the coco de mer, which only grows here. Perhaps you would also like to experience the idyllic beauty of the Seychelles from the water on a catamaran trip\* and dive into the colourful underwater world while snorkelling\*? Madagascar also has a variety of highlights in store for you – for example, when the EUROPA sails to the heavenly island of NOSY BE and, for the first time, to the breathtaking archipelago of NOSY IRANJA. Rich in history, ANTSIRANANA is your starting point for a scenic tour\* to Domaine de Fontenay nature park, where you may be lucky to spot lemurs and turtles among the exotic wildlife. Witness the spectacular sides of Madagascar's natural beauty when you set off on a boat trip in TOAMASINA on the Canal des Pangalanes\* Experience a fantastic helicopter flight\* over the island's volcano on REUNION before you embark, wonderfully relaxed, on your journey home in PORT LOUIS on Mauritius. \* The shore activities are not included in the cruise price and are in the planning stage. Subject to change without notice.
