Highlights

The EUROPA leaves MONTREAL via the St Lawrence River and sets course for TROIS RIVIERES, a town that promises a varied day with its idyllic location between the riverbank and dense forests, not to mention its long and important history. You will encounter Canada's British beginnings in HALIFAX. A trip to Peggy's Cove* makes it easy to imagine why the early settlers gave the region with its green hills and rugged cliffs the name Nova Scotia. BOSTON provides an initial insight into the American way of life. The city is steeped in history and offers historical sights, famous universities and modern malls. After a day in PROVINCETOWN, NEW YORK lies at your feet. Take in the chessboard pattern of the streets from the platforms of Manhattan's skyscrapers. Visit the galleries, take a stroll in Central Park or stop off at the trendy bars – anything is possible in three days and two nights. On the legendary Atlantic crossing to HAMBURG, you will enjoy unlimited relaxation on board.
