Highlights

The EUROPA 2 welcomes you on board in Lisbon. Enjoy the narrow streets and unique views of the famous sights on a city tour on the historic tram* before your cruise begins with one of the most scenic river cruises in Europe. Situated in the foothills of the Anti-Atlas Mountains, majestic Agadir welcomes you. A visit to Marrakesh*, Morocco's most fascinating city, will immerse you in a wondrous tale from the Arabian Nights. Things are more active on Lanzarote: Explore the impressive volcanic island in manoeuvrable two-seater electric cars* or follow in the footsteps of the artist Cesar Manrique*, who is best known for his architectural projects and his decisive influence on the sustainable development of Lanzarote. Fuerteventura invites you on a buggy off-road adventure* to hidden valleys and traditional villages before the protected conservation area of the Maspalomas Dunes* will take your breath away on Gran Canaria. With its old colonial buildings and winding streets, Agulo* is considered the most beautiful village on La Gomera – visit it as well as the Garajonay National Park*, a UNESCO World Heritage Site, during an island tour*. Enchanted rainforests await you at the end on La Palma during a hike* before your cruise to the treasures of the Atlantic comes to an end on charming Tenerife, the largest of the Canary Islands. * The pre- and post-cruise programmes and shore activities are not included in the cruise price and are in the planning stage. Subject to change.
