Highlights

The port of TRAVEMUNDE will be your gateway to the Baltic States: get to know the city of RIGA, which offers treasures from all centuries with its medieval guild houses, baroque castles* and art nouveau facades. In TALLINN'S romantic old town, too, there are cultural and culinary delights to be discovered in the city's many winding alleys. Setting off in the footsteps of the designer Alvar Aalto*, you will learn more about HELSINKI before STOCKHOLM offers plenty of time for more discoveries: Experience the royal city between Viking heritage and magnificent residences, ornate gardens and natural archipelago islands. With over 1,000 years of history, GDANSK promises an inspiring visit. Our tip: small roasteries along the Motlawa invite you to relax and enjoy the view of the historic Crane Gate and the vibrant hustle and bustle.* *The shore activities are not included in the cruise price and are in the planning stage. Subject to change.*
