DAY **4** Pirates and Puritans in Pretty San Andrés

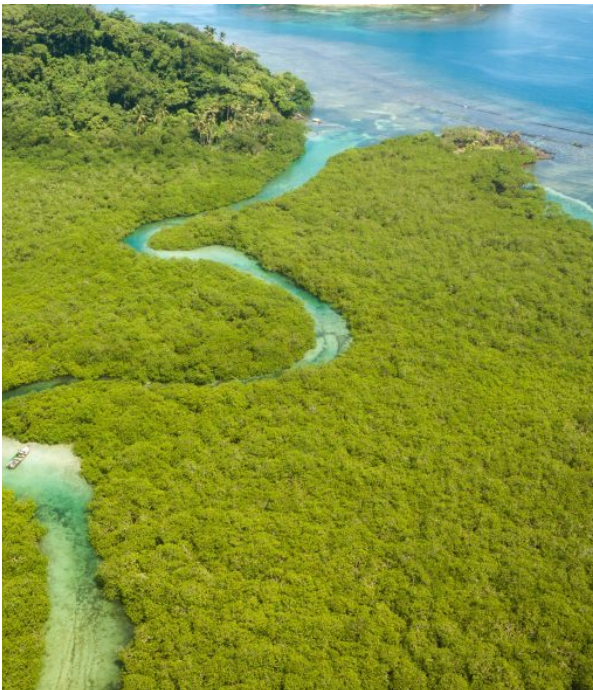

Port: San Andres Island

Arrival Method: TENDER

Arrival: 09:00

Departure: 17:00

A little slice of Colombia in the heart of the Caribbean, with a sprinkling of indigenous culture, echoes of English Puritan settlement and a history of piracy: what's not to love about stunning San Andrés? Emerald hillsides rise beyond the city, ringed by a patchwork of coconut plantations and vast mangrove swamps. Rocky promontories and sheltered cays that once provided a safe haven for privateer Sir Henry Morgan are now a playground for sun worshippers and skittish lizards. Divers find peerless barrier reefs festooned in coral beneath the warm waves of UNESCO's Seaflower Biosphere Reserve, an underwater wonderland linking San Andrés to the paradisaical beaches of little sister island Providencia.

📍 DAY PANAMA

5 Colón Conveys

Port: Colón

Arrival Method: DOCK

Arrival: 08:00

Departure: 21:00

Travel through time to one of the world's finest man-made wonders, The Panama Canal. But Colon doesn't just transport tankers or provide a short cut between two oceans; wander through Colonial and Neoclassical architecture in the old town, meet the native Embera Indians in the Chagres National Park and admire spectacular scenery as you gently sail the man-made Gatun Lake. Pass into forested San Lorenzo National Park for ecological bliss, a likely glimpse of sloths or toucans, and the fort that kept pirates at bay. And as you learn of the latest locks for maritime trade, wonder how many more million vessels will surge through these waterways.

📍 DAY PANAMA

6 Bullish on Bocas del Toro

Port: Bocas del Toro

Arrival Method:

Arrival: 08:00

Departure: 19:00

Starfish-spotted shores and palm-thatched beaches fringe Bocas del Toro, paradisiacal archipelago on Panama's untamed Caribbean coast. Lyrical creole and rainbow birds drift between the stilted shacks of Bocas Town, shabby-chic gateway to potent marine parks and elemental mangroves where slow sloths and energetic capuchins clamber overhead. Snorkel crystalline reefs where dolphins dance or hike wild rainforest isles in search of sea turtles on castaway beaches.

📍 DAY COSTA RICA

7 Welcome to the Jungle

Port: Puerto Limon

Arrival Method: DOCK

Arrival: 08:00

Departure: 19:00

Welcome to your reprieve from the 21st century. Slip beyond the bounds of the city and step into a primordial paradise that is 100% committed to wildlife preservation. Board a narrow-gauge railway, monster truck, tree-top tram, or quiet kayak to delve deeply into an ecological bio-sphere of surreality: howler monkeys call out in Cahuita National park; stealth jaguars and pumas prowl throughout Tortuguero; gentle sea cows and turtles curiously raise their heads in palm-fringed rivers. Pura vida, the good life, continues with yoga on the beach, hiking wondrous in cacao farms or in the convivial kitchen on a Master Chef. Live well, vivir bien.
