Now we have come so far south that we're crossing the Arctic Circle and sailing away from the polar night and the sunlit nights. But you can still see the Northern Lights in the winter, and it is never completely dark during the summer nights. Here you sail past a myriad of small islands, islets and skerries and past the special mountain, Torgshatten, which has a hole in the middle. If you wish, you can also go on the trip to the mountain and enter the hole.

Day 3

Ports: Trondheim - Kristiansund - Molde - Ålesund

We sail through the wide Trondheim fjord that is bounded by rolling farmland on both sides and return to the coast and the open sea. You can disembark in Kristiansund and be driven along the Atlantic Ocean Road, which has been called the world's most beautiful drive. The road meanders along islets and skerries, and afterwards you can re-embark in Molde.

Day 4

Ports: Torvik - Måløy - Florø - Bergen

The last day of the tour takes you through a diverse coastal landscape of bare rocky mountains and a maze of sounds and waterways between many islands. The great fjords and glaciers are situated inland. Bergen awaits at the end of the voyage. We hope you have many good memories from your journey along the Norwegian coast with Havila Voyages, and we look forward to seeing you again.
